

PARK HOTEL

Our Vision

With our service philosophy based on guest satisfaction, our sustainable tourism approach, and our management system aimed at continuous improvement, we aim to be a preferred, reliable, and exemplary accommodation brand in our region.

Our Mission

As Park Hotel;

Our mission is to provide our guests with a safe, comfortable, and hygienic accommodation experience, to support the development of our employees, to provide services in accordance with legal requirements and quality standards, and to be an environmentally and socially responsible business.

Our Quality Policy

As the management of Park Hotel;

- Continuously measuring guest satisfaction and providing service that exceeds expectations,
 - To fully implement hygiene, food safety and occupational health and safety practices,
 - To ensure full compliance with national and international quality standards and legal regulations,
 - To support our employees in being informed, educated and participatory,
 - To improve our service quality through a continuous improvement approach,
 - A sustainable tourism approach that protects the environment and uses resources efficiently.
- to adopt,

We commit to it.
